HOW THE BIBLE WAS MADE. It is wonderful how long a time i took to make the Bible. When men make books it does not generally take them very long; sometimes it does. Dr. Allibone has been engaged for sixteen years on his great works, in two large volumes, called the "Dictionary of Authors." An English writer, named Gib bon, was twenty years in writing a history of "The Decline and Fall of the Roman Empire." Adam Clarke spent twenty six years in writing his Commentary Bancroft thirty five years on his history. his dictionary.

But what are these to the time that was occupied in making the Bible? We read that God was six days in making the world. But in making the Bible he was engaged fifteen hundred years! Yes, Manufacturers of SPAULDING'S Patent from the time when Moses wrote Genesis the first book in the Bible, till John wrote the Revelation, the last book in the Bible, all these long years passed away That was very wonderful.

And then it is wonderful how many men were employed to write the Bible! There were Moses, and Samuel, David, and Solomon, and Ezra, and Issiah, and all the prophets in the Old Testament. And in the New Testament, Matthew, and Mark, and Luke, and John, and Paul, and Peter, and others. There were more than thirty persons altogether employed in this work. And is not only the number of writers but the great dif-'erence between them, that makes it wenderful. Some of them were unlearned men, as Andrew and Peter. Some of them were kings, as David and Solomon. Some were princes, as Daniel. Some were shaperds, and some form hands, and some fishermen, and some tent makers. And yet they all agree in what they write How wonderful this is! How can we explain it? It is this: God did all the thinking in the Bible. The thoughts in

things in the Bible unless God had told about them, but because the Bible tells us it was made in this way. Thus St. Paul says "All Scripture is given by the inspiration of God." (2 Tim. in iii. 16) And what is inspiration? To inspire And what is inspiration? To inspire into. Suppose, when Suppose in Toy in said sicharge as such curator.

JOHN G. BARNES, Curator. mother should say, "Come here Johnny, I want to tell you a secret." You go up to her. Sho puts her lips to your ear, and whispers, "Johnny, father says if administration of said estate at the August term and whispers, "Johnny, father says if you are a good boy till your next birth day, he'll buy you abeautiful watch." Now 1870. 18RAEL MORRIS, Ext's. while your mother is whispering those words to you, she is breathing in your ear, isn't she? Well that is inspiration. She is inspiring you with the thoughts of that beautiful watch. In this way God inspired the men who wrote the Bible. God breathed into their minds, or whispered into their cars, what they were to white. St. Peter tells us, "They spake as they were maved by the Holy Ghost." (Pet. L. 21.) "Mayed" here means told. They said just what the Holy Ghost told them.

The time it took to make the Bible is wonderful. So the many men who helped to make it is wonderful. And it
